## Instructions for depositing the corona proof 2/2

5

Check the information on the following pages and click on "Complete personalization" at the bottom right and on the confirm changes" on the following page.

6

On the following page you can now upload your digital COVID certificate (vaccination, test or convalescence certificate according to current EU standard). Once you have done this, click on "Next". The process is now completed.

### Notice:

If you do **not** upload a COVID certificate, your ticket will only be activated after successful on-site verification.  
Please allow sufficient waiting time for this.

Upload Screenshot of a digital COVID certificate  
PDF, screenshot, photo (JPG, PNG, BMP)

Scan COVID certificate with webcam/camera  
QR code will be read from video

or

I don't want to upload a digital COVID certificate.  
Certificate must be presented at venue

By voluntarily uploading the image file or scanning my digital COVID certificate, I consent to having my health data stored in my digital COVID certificate being temporarily stored by Messe München for the purpose of verification. After the check, my health data will be deleted again.

If the check is **successful**, my ticket will be activated immediately in order to gain **direct access** to the event on site.
